

MAGCOR Demolition & Abatement

EXCELLENCE IS NOT AN ACT, BUT A HABIT.

Demolition

We see demolition as more than a service, it's a craft. We are a GTA-based demolition company with experienced professionals who take pride in what they do and how they do it. We deal with custom, residential, commercial, and industrial demolition.

Excavation

We offer reliable & efficient excavation services. From retaining walls to small ponds our highly skilled heavy machine operators are ready to tackle projects of any size.

Abatement

Whether it's mould, asbestos or lead, the experienced and accredited team of professionals at MAGCOR will be at your service to get the job done safely and seamlessly – ensuring your investment stays on track.

A Team You Can Rely On

Ways we've built our reputation:

- On-target timelines
- Efficient and quality work
- We leave the site in great shape for the next trade
- Project status reports
- Diligence with permits
- Environmental and safety precautions

Pricing

We provide pricing on a per project basis. This allows us to keep costs down for all parties involved, while maintaining competitive pricing. Should you have any upcoming projects, do not hesitate to contact us to set up a site visit, and estimate.
